The best time to visit Myanmar is between November and February. Contemplate the 4000 sacred stupas scattered across the plains of Bagan. Stare in disbelief at the Golden Rock teetering impossibly on the edge of a chasm. Meet multitalented monks who have taught their cats to jump, or feisty elderly Chin women, their faces tattooed with intricate designs. Discover a culture where holy men are more revered than rock stars. Drift down the Ayeyarwaddy in an old river steamer, stake out a slice of beach on the blissful Bay of Bengal, or trek through pine forests to minority villages scattered across the Shan Hills. Dig into the myriad dishes of the local cuisine. Swap cocktails and canapés for snacks and tea at teahouses.
